If a student does not comply with this dress code, the student's teacher will discuss this with him/her. ## *Caring for Today . . . Preparing for Tomorrow*

We would like to share a few testimonials from the friends, parents and students of St. Peter Lutheran School, Macomb. We are very proud of our school and it is fulfilling to see examples of others who appreciate the Christian education you receive at St. Peter.

"Enrolling in a new school can prove to be an anxious experience not only for the student, but also for the parent. As parents, we tend to experience our children's anxiety right along with them, however God is good!! God's Word tells us in *Philippians 4:6-7 Do not be anxious about anything, but in everything, by prayer and petition, with thanksgiving, present your requests to God. And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus.* I thank God for being true to His Word, and I thank the staff and families of St. Peter Lutheran School for making my son and I feel so welcome and included in ALL school activities during his first year at St. Peter in the 4th grade, and for the continued friendships that have developed and continued into our second year at the school. I am happy to say that St. Peter Lutheran School welcomed my family warmly, and immediately felt like "home", and still does today." *Maria Randazzo, parent of current student at St. Peter*

"You should go to St. Peter because you can learn about Jesus. We sing songs about Jesus. We sing God Bless America. The teachers are nice. Sometimes they will give you hugs. The teachers give you homework. My teachers love me even if I'm Loud." *Jack May, St. Peter Kindergarten student*

"The strengths of this school are the Christian Lutheran teachings, other parents who care, teachers who devote their life to the children and their Lord. I am so proud that our children attend St. Peter. I thank God for our church and school, the teachers, staff and parents every day. I think the Mentor Parent program that Mr. Chuhran implemented is an EXCELLENT program. We take so many things for granted as parents of the school who have "already been there, done that" that we don't even realize how confusing some of the policies, projects or way of doing things are to somebody new to the school or particular grade for that matter." *Parent of current St. Peter students*

"I love St. Peter because I can learn about Jesus and I know it is getting close to his birth. The teachers are really nice. Mr. Chuhran and Mr. Hoch are nice too. The other kids are nice too. I love it because the school teaches me to show Christian love. My teacher says we should have a kind heart." *Gabrielle Hatfield, 1st Grade student at St. Peter*

"St. Peter teachers really care about their students and their student's families! Our family has gone through a very difficult time the past few months with the loss of a father/grandfather and sister/aunt. These family members lived out of state which made everything more difficult because we couldn't always be there in person to support them. Our family received such support from our friends, school faculty and church staff. We could not have gotten through this time without our praying friends at St. Peter. One of our teachers took some extra time to write a note to my mother to let her know that she had been praying for our family. The note touched my mother's heart and comforted her to know that her grandsons were in a Christian school that had such caring teachers! Our family is so thankful for the countless hours our teachers put in to our children's daily life." *Parents of current students at St. Peter*

"When you become a St. Peter Patriot you are becoming a Christian. You could like to help, volunteer, and teach other people about God's word. You also want to give people hope. You may like going to church, Bible Study, chapel, or Sunday School. When you become a St. Peter Patriot you will make other people want to be a St. Peter Patriot too." *Sabrina Gottshalk, St. Peter 4th Grade student*

"As parents of two children, we choose to send our kids to St. Peter Lutheran School, because we know from our experience thus far, that our children are getting the best possible Christian (faith based) education. We feel very strongly that with a parochial school like St. Peter, our kids are being educated along side children of parents & teachers who share in the same common interests for our children. With St. Peter, we know that our kids will never be denied the opportunity to practice their Christian faith while they attend school." *Rob & Francesca Keller, parents of St. Peter students*

"A patriot is a person who vigorously supports their country and is prepared to defend it against enemies or any other types of evil. You can be a patriot by defending your friends, family, or property. I am glad to be an eighth grade patriot because not only can I defend my classmates but I can teach the younger children how to act and behave. I think a major part of being a patriot is incorporating Jesus and His word into your life. Jesus means everything to me and I hope everyone can have Him in their life. Jesus was a huge patriot by defending His beliefs and never caving into sin." *Matteo Munaco, 8th Grade student at St. Peter*

## *Caring for Today . . . Preparing for Tomorrow*

- The Bible is God's inspired, infallible Word.
- In the Bible, God is revealed as Trinity: Father, Son and Holy Spirit.
- God created the world and all that exists.
- Man is born with original sin and cannot save himself.
- We need God's law to remind us of our sin and move us to repent.
- Jesus Christ, true God and true man, born of the Virgin Mary, died on the cross for

all sins, and rose bodily on the third day.

- Salvation through the forgiveness of sins comes only through faith in Jesus Christ as personal Lord and Savior.

When a person receives Jesus Christ as Lord and Savior, they will want to live according to the will of Christ by...

- putting Christ first in their life,
- worshiping on a regular basis,
- studying God's Word regularly,
- rejoicing in their baptism and participating in the Lord's Supper frequently,
- giving faithfully to the work of Christ's Church,
- seeking ways to serve Him through ministry to others,
- telling others of His wondrous love.

God's Holy Spirit works on the hearts of His people through Word and Sacrament.

God answers the prayers of believers.

God expects all Christians to be baptized, including infants.

Baptism makes you a member of Christ's body, the Church.

The body and blood of Christ are really present in the Sacrament of the Lord's Supper for the forgiveness of sins. Only those who share that belief should commune with us. God strengthens our faith and love through the Lord's Supper.

It is the duty of Christian parents to provide their children the best possible Christian education. St. Peter assists parents in this responsibility with:

- a Christian Preschool for three and four year old children,
- a Christian Day School for grades K-8,
- a Sunday School program for all ages, and
- instruction for 7th and 8th graders leading to Confirmation and reception of the Lord's Supper.

Christian education is not just for the young, but for all ages. Our "New Member Retreat" is offered three times a year to study the chief doctrines of the Bible.

**ACCREDITATIONS:** National Lutheran School Association (NLSA) and the Michigan Association of Non-Public Schools (MANS).

**ACADEMICS:** Academics are a high priority at St. Peter Lutheran School. Our rigorous curriculum is based on educational standards of the state of Michigan. Students are challenged to meet high expectations of performance and to develop a work ethic that will help them to be successful in their future education and vocation. Our academic program is comprehensive and seeks to integrate technology and innovation, while also applying traditional approaches where appropriate. Our graduates leave St. Peter ready to take on the challenges of high school, whether at a sister Lutheran high school (Lutheran High North or Lutheran High Northwest) or at other area public, parochial, or private high schools. We have a reputation for providing academic leaders for these high schools. See our website <http://www.sples.com/school/academics/curriculum-by-grade/> for a detailed list of our curriculum.
