Valerie Matyas	Davidson 1	<p><i>Bible Journaling</i></p> <p>What might happen if you responded to Scripture with journaling? How might colored pencils help you engage in the Word? What solid truths could be inscribed on your heart if you were to use creative lettering to copy verses? How might adding a visual image to the pages of your Bible draw you back to Scripture over and over? Come explore the spiritual practice of Bible Journaling and give yourself permission to use your God-given creativity to literally draw closer to your heavenly Father.</p>
Thomas Fischer	Davidson 2	<p><i>Maximizing Your Unique Team Styles</i></p> <p>Perhaps the most important key to maximizing teamwork is to recognize the common personality styles of each of your team members and respond according to their respective styles. Shayla Kenworthy	Salon AB	<p><i>Center-Stage Messaging - Choosing Strategic Priorities</i></p> <p>If you could communicate just one message this weekend, what would it be? To be effective, all organizations have to make strategic communications choices. How should you determine your priorities on any given day? How can you help messages connect with their intended audience? This breakout will give practical help to prioritizing your messaging and reaching the right people.</p>

You will have an opportunity to slow down, pay attention, and have a visual reminder of what was lifted up in prayer.
