

LCMS NATIONAL CONVENTION DELAYED FOR ONE YEAR TO 2023

By the vote which closed on February 15, LCMS congregations approved moving Synod's 2022 convention to 2023. This vote also allows districts to hold conventions in either 2021 or 2022. In an earlier decision, the Michigan District Board of Directors had already postponed the June 27-29, 2021 District Convention. Once a new date has been solidified for the Michigan District convention, more information will be shared, included revised deadlines for overtures and nominations.
