

Saturday Craft Mornings! Every month Missionary Ruth Maita and I (Christel) host a craft morning - one Saturday in Ponce and one in Mayaguez. We invite those that we visit as well as those who have been attending our weekly Facebook art classes. It's been a great blessing in time of fellowship and the gathering of those we have not seen much over this last year.

Working on the educational building! There is a small building behind the church building that was used for offices from the previous owner. This month it has been cleaned up and rewired to be a place for Bible classes, Sunday school, workshops, etc. One big improvement was a ramp for anyone needing extra assistance to enter. Pictured to the right is one of the members of Fuente de Vida spending his Saturday painting the walls. We hope to start confirmation classes in early February in this new space!
