September 2021

Dear Co-workers in God's Kingdom,

During this extraordinary year, we pray for God's presence and faithfulness as we continue to serve Him. He is our Hope and we thank Him for the everlasting promises in His Word. Preparations for the 2022 Michigan District Convention, scheduled for June 26–28, 2022 are underway.

Under a separate mailing from Rev. Andrzejewski, Michigan District Secretary, the nominations for President and Vice-President were sent to you. ***This letter includes information on all the other nominations listed below:***

- District Secretary
- District Board of Directors (Metro West and North and East)
- Church Extension Fund Board
- Nominating Committee

The Nomination Process is listed below:

- A person is nominated for a particular office by submitting their name on the enclosed form sent to District Nomination Chair.
- The nominee will be contacted by the Chair and asked if they accept or decline the nomination.
- Once the nomination is accepted, the Nomination Committee will review all nominations for eligibility and prepare a slate (with alternate nominees) to the District Elections committee to be voted on at the District Convention.

The nominations above will be submitted to the Convention Nominating Committee for the 2022 Michigan District Convention. The window for nominations is now extended through February 26, 2022. Copies of the Nomination Forms and ministry descriptions for each position are available at michigandistrict.org/convention for download. Please use the forms to submit as many nominations as needed before February 26, 2022. Please note that any nominations that were received for the 2021 Michigan District Convention are valid and are being processed by the Nominations Committee for the 2022 Michigan District Convention.

The Nominating Committee will meet after the nomination deadline to provide information on each candidate to the committee. Then information on each nominee who accepts the nomination will be included in the District Convention Workbook that is sent to each delegate before the convention.
