

The Michigan District Board of Directors is hosting a Listening Event for the Metro East Region on Monday, October 16, at St. John, Fraser. Pastors, church workers, church leaders, and laity are all welcome to attend. The Board seeks input in the following areas:

- What should the Board know about ministry in this region?
- What unmet needs do the congregations have?
- What mission opportunities exist in the region?

The findings from this event will aid the Board of Directors in its responsibilities towards strategic direction of the District.

This event does not require pre-registration. We hope you will join us!
