

Servant Events

Each of us has special gifts to use to help others. These gifts are given to us by God as a way to respond to His love for us and His command that we love one another. For this reason we are excited to offer servant event experiences for all gathering participants. We have carefully chosen events that will educate and enrich by helping you understand the needs in the communities and the opportunities that God gives us, His people, to respond.

This year we are partnering with:

Ablelight Group Home-Frankenmuth

Bridgeport Parks & Recreation

Castle Museum of Saginaw County History

Center of Hope

City Rescue Mission

Good Shepherd Lutheran Church

Independence Village of Saginaw (Wescourt)

Junction of Hope Restaurant

Medilodge-Frankenmuth

Mid-Michigan Children's Museum

Mustard Seed Shelter

New Beginnings Ministries

Partnership Center

St. Lorenz Lutheran Church

Traditions of Saginaw Assisted Living-Main Campus

Underground Railroad Resale store

Weiss Centennial Dairy Farm

Wellspring Lutheran Services

Your church group has been assigned to a specific event, time, and location, and your group leader has been contacted regarding details. Events are scheduled from either 9 a.m.–12 p.m. or 1–4 p.m. on Wednesday. Remember that your group is responsible for transporting your youth and adults to and from your service location. Please be sure to get there on time as the agency is expecting you and counting on your help.

We hope that your servant event experience will be so positive for you and your group that you will go home enthusiastic to find opportunities to regularly serve in your own community!

If you have any questions regarding your event, please contact Nola Auernhamer, nolajoy@verizon.net or 716.471.6450.

After Your Servant Event:

Please email 2–4 pictures of your group at your servant event (1–2 group shots, 1–2 action shots) to jrhighpics@michigandistrict.org. Include your church's name and city and the name of the agency. We may use these in a gathering wrap-up video.
