

Welcome!

New beginnings are found in His presence. When God's people gather, we are encouraged and strengthened in our faith. Whether this is your first time attending the Gathering, or a tradition for your family, we're determined to ensure that you'll have a time of rest, relaxation, and renewal on Mackinac Island. There's no place like it! We've compiled some useful information for you to prepare for your getaway, including Grand Hotel dress code, atmosphere and accommodations, as well as restaurants and attractions on the island to explore during your free time. Sit back, relax, and enjoy every moment in preparation for this event. We're here for you!
